

Lawrence R. Burns

Lawrence R. Burns, a life-long Detroit area resident, died at his home on Monday, August 14, 1989 of congestive heart failure and other complications of AIDS.

Born in Detroit in 1958, Larry worked for nine years at the Backstage Restaurant as a waiter, assistant manager and recently in the office as bookkeeper and office assistant.

Larry loved to party and was always laughing and joking and making sure those around him were having a good time too. This positive attitude was with him right to the end — he never gave up and was fighting the disease to the very end.

Survivors include his mother, three sisters and a brother, all of the Detroit area; and many friends and co-workers who loved Larry and will sorely miss him.

A Memorial Service will be held on Sunday, September 3 at 11:00 a.m. at Saint Leo's Catholic Church, 4800 Grand River at Warren in Detroit. The family asks that there be no flowers sent, but will receive notes of condolence at the family home at 1762 Ackley, Westland, Michigan 48185.

Love you, Cherri and Kim.
