

George Benjey

George Benjey, 32, of Detroit - MI was found dead in his apartment on Thursday February 2, 1995; discovered by his roommate when he returned from a short out of town trip.

The Wayne County Medical Examiner placed the time of his death as Monday evening, January 30 with the cause of death as cerebral aneurysm.

Mr Benjey, born May 29, 1962 grew up in the downriver Detroit area was a long standing member of the Detroit gay community having worked at several different establishments over the past ten years including the Gold Coast Saloon, the Backstage Reastaurant and for the past five years at Tiffany's.

Up until March 8th friends of Benjey were making funeral arrangements at which time his mother was made aware of his death and she took over the responsibilities welcoming the support and friendship of George's gay family.

A brief gathering was held after the funeral at Club Gold Coast where his friends remebered the many good times they shared with their friend. He will be sadly missed.
